BIG IDEAS

Individual and collective expression is rooted in history, culture, and community.

Growth as a musician requires perseverance, resilience, and reflection.

Music is a process that relies on the interplay of the senses.

Aesthetic experiences have the power to transform the way we think and feel.

Music offers unique ways of exploring our identity and sense of belonging.

### Big Ideas – Elaborations

- **Aesthetic experiences**: emotional, cognitive, or sensory responses to works of art

---

### Curricular Competencies – Elaborations

- **Large ensemble**: ensemble in which many musicians perform the same part (e.g., concert choir, concert band, jazz band, string or symphony orchestra, guitar ensemble)
- **Small ensemble**: ensemble in which musicians play alone or with only a few others, performing a particular part (e.g., chamber choir, vocal jazz ensemble, rock band or similar contemporary genre, jazz combo, brass quintet, string quartet)
- **Improvisate**: spontaneously compose or embellish musical phrases, melodies, or excerpts; improvisation provides a means for high-level reasoning, creative thinking, and problem solving in a variety of ways
- **Creative risks**: make an informed choice to do something where unexpected outcomes are acceptable and serve as learning opportunities
- **Variety of contexts**: for example, personal, social, cultural, environmental, and historical contexts
- **Place**: any environment, locality, or context with which people interact to learn, create memory, reflect on history, connect with culture, and establish identity. The connection between people and place is foundational to First Peoples perspectives on the world.
- **Musical language**: vocabulary, terminology, and non-verbal methods of communication that convey meaning in music
- **Document**: through activities that help students reflect on their learning (e.g., drawing, painting, journaling, taking pictures, making video clips or audio-recordings, constructing new works, compiling a portfolio)
- **Personal voice**: a style of expression that conveys an individual’s personality, perspective, or worldview
- **Respond**: through activities ranging from reflection to action
- **Performance-related injury**: for example, vocal strain and other harm to oral and aural health

- **elements, principles, vocabulary, symbols, and theory of music:** metre, duration, rhythm, dynamics, harmony, timbre, tonality, instrumentation, notation, pitch, texture, register, terms in Italian and other languages, expressive markings, abbreviations; methods, processes, and concepts used in creating and performing music

- **singing techniques:**
  - diction (e.g., enunciation, vowel formation, phonation, diphthongs, word/syllable emphasis, pronunciation)
  - tone quality as specific to repertoire (e.g., resonance, head voice, chest voice, vibrato, straight tone, bend, fall-off, plop, ghost, shake)
  - intonation
  - breath regulation and control
  - articulations, inflections
  - ornamentations: musical embellishments or flourishes that serve as decoration of a melody (e.g., sostenuto, portamento)
  - range
  - singing through transitions between vocal registers
  - blend and balance: the use of relative volume and tonal techniques to highlight certain instruments or create a homogeneous timbre (e.g., accompaniment versus solo technique)

- **creative processes:** the means by which an artistic work (in dance, drama, music, or visual arts) is made; includes multiple processes, such as exploration, selection, combination, refinement, reflection, and connection

- **history:** the influences across time of social, cultural, historical, political, and personal context on musical works; includes the influences of historical and contemporary societies on musical works

- **cultural appropriation:** use of a cultural motif, theme, “voice,” image, knowledge, story, song, or drama, shared without permission or without appropriate context or in a way that may misrepresent the real experience of the people from whose culture it is drawn
