

MANDARIN CHINESE – INTRODUCTORY 11

Description

Mandarin Introductory 11 has been developed to offer an opportunity for students who did not begin Mandarin in the elementary grades to enter Mandarin at the secondary level. Mandarin Introductory 11 is an intensive course, designed to cover essential learning standards from Grades 5 to 10 in an accelerated time frame in order to prepare students for Mandarin 11. It should be noted that this course does not replace the richness of the regular Mandarin 5-10 curriculum.

It is assumed that students would have limited to no background in Mandarin prior to enrolment. However, as contexts vary, districts may use their discretion with regard to admission criteria for this course. Enrolment in Mandarin Introductory 11 is not limited to Grade 11 students, and there are no prerequisites for this course.
